to substantially conform to the functionality described in the accompanying documentation.

The Licensed Software is not warranted to be free from error, or to operate uninterruptedly.

If, during the 90-day warranty period, you notify the party who sold you the Licensed Software that the Licensed Software does not substantially conform to the functionality described in the accompanying documentation, that party will, at its option, either replace the Licensed Software or fully refund the license fee you paid

for the package. If a refund is made, you will certify to the refunding party that you have removed the Licensed Software and erased

or destroyed all copies.

The express warranty set forth in paragraph 5(A) of this Agreement is in lieu of all other express warranties and conditions. The implied warranty of merchantability is limited to ninety (90) days from the date the Licensed Software is delivered to you. ALL OTHER EXPRESS AND

IMPLIED WARRANTIES AND CONDITIONS, WHETHER CREATED BY STATUTE OR OTHERWISE, ARE DISCLAIMED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE AND, FOLLOWING THE ABOVE-REFERENCED NINETY (90) DAY PERIOD, THE IMPLIED WARRANTY OF MERCHANTABILITY.

All warranties and representations made by persons other than Xerox, including, but not limited to, distributors, dealers, concessionaires and other resellers of Xerox, are also disclaimed.

The express warranty set forth in paragraph 5(A) of this Agreement will be void and you may be responsible for additional fees if you fail to properly use the Licensed Software in the appropriate environment or if the Licensed Software is modified or altered in any way.

Minimum Server Requirements for DocuShare ("Minimum Server Requirements") can be found at <http://www.fujixerox.co.jp/eng/product/docushare/system.html>.

If Licensed Software is removed by Xerox for this reason, the license fee you paid for the Licensed Software will be fully refunded. Unless otherwise expressly provided by law this shall be Xerox' only obligation to you in the event of a claim of infringement.

Xerox will not be liable for any infringement of the Licensed Software

if such infringement is caused by use of the Licensed Software in combination with equipment, software, or supplies not provided by Xerox or if the Licensed Software is used to implement processes not provided by Xerox.

If Xerox distributes any third party software to you, you will indemnify Xerox for any misuse of the software.

**GENERAL PROVISIONS** Limitation of Liability: In no event will Xerox be liable to you for any special, indirect, incidental or consequential damages (including but not limited to damages related to data loss, LOST PROFITS or business interruption) in any way arising out of or relating to the subject matter of this Agreement. In addition, Xerox's

liability to you for direct damages will in no event exceed the license fee you paid for the Licensed Software.

Greater Damage Rights: Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not be applicable.

U.S. Government Restricted Rights: The Licensed Software and accompanying documentation are provided with Restricted Rights. You agree to meet all requirements necessary to ensure that the Federal Government will honor such rights. Disclosure, use or reproduction of

the Licensed Software and accompanying documentation are subject to restrictions set forth in the Commercial Computer-Restricted Rights clause at Federal Acquisition Regulation 52.227-19, when applicable, or in the Department of Defense Federal Acquisition Regulations Supplement 252.227-7013.

Xerox reserves the right to refuse or deny support should you not be in compliance with the system configuration which is defined as "Minimum Server Requirements."

Neither party shall be liable to the other for its failure to perform any of its obligations hereunder during any period in which such performance is delayed by circumstances beyond its reasonable control (including, but not limited to work stoppages, fires, civil disobedience, Acts of God and similar occurrences), provided that the party experiencing such delay promptly notified the other party of the delays.

No delays or failure of Xerox to exercise any right or remedy will operate as waiver thereof. No waiver of any of the provisions of this Agreement for a particular situation shall be deemed or constitute a permanent waiver of such provision for any other situation, nor shall such waiver constitute a waiver for the same situation if it should recur.

Severability: If any provision of this Agreement is held invalid by any law, rule, order or regulation of any government, or by the final determination of any court of competent jurisdiction, such invalidity will not affect the enforceability of any other provisions not held to be invalid.

This Agreement shall be governed by and construed in all respects in accordance with the laws of the JAPAN without giving effect to its conflict of laws provisions. The parties specifically agree that the 1980 United Nations Convention on Contracts for the International Sale of Goods, as such may be amended from time to time, shall not apply to this Agreement.

#### Termination of the Right of Use

When the right to use the software, which is before transition or update, separately specified by Xerox and already obtained by the customer exists, the right to use the pre-transition or pre-update version of software shall be terminated when the customer obtains the right to use the license software.

Entire Agreement: This Agreement and any Xerox order agreement that you may have used to order DocuShare constitute the entire agreement of the parties as to the subject matter thereof, and supersedes any and all prior

oral and written understandings and agreements as to that subject matter. To the extent terms and conditions in your Xerox order agreement conflict with this DocuShare End User License Agreement, your Xerox order agreement

shall prevail if both you and Xerox have signed the agreement. The pre-printed terms and conditions contained in any purchase order or other ordering document submitted with respect to the Licensed Software will not

modify this Agreement in any way.
