Follow up/assessment - up to 2 hours (approx. 4-8 weeks post training)

## Objective:

*The objective of the Xerox 6XXX Wide Format Printer and FreeFlow Accxes Training course is to provide trainees with comprehensive training to ensure that key operators have the appropriate skills to maximise the productivity and longevity of their digital printing solution.*

## Pre-requisites:

This course is aimed at trainees that can demonstrate basic PC or Mac skills and who have a basic level of understanding of digital printing.

## Course Content:

### *On-site training - Basic IOT*

Conducted by FXA training specialists in your state, the modules covered include Xerox 6XXX Wide Format Printer and FreeFlow Accxes Engine operation procedures, daily maintenance and precautions. It is designed to enable you to commence production on the Xerox 6XXX Wide Format Printer and FreeFlow Accxes engine immediately upon install.

- Customer Expectation Document
- Product Overview
- Maintenance
- Machine Info
- Job Information
- Printing and Copying Documents
- Scanning Documents
- 24/7 Online Support

## On-site/phone follow up

This is a follow up visit/phone call that will take place 4-8 weeks post training to ensure digital production is running smoothly. The follow up is also used to assess the trainee's skill level on the wide format engine. When successfully completed a Certificate of Completion will be issued from Fuji Xerox National Education Services.

To book your place, please contact your local Fuji Xerox Australia branch training specialist.

If you have any additional queries, please contact FXA National Education Services on **(02) 9700 5500** or e-mail [Educaton.Services@aus.fujixerox.com](mailto:Educaton.Services@aus.fujixerox.com)

### About Fuji Xerox Australia

Fuji Xerox Australia is part of a world leading enterprise for business process and document management services. Through the implementation of efficient business processes and effective communication, we deliver the right information to the right people in the right format. A continuous source of innovation helps us optimise IT and print infrastructures to deploy document strategies that are efficient, productive and waste-free. This enables our customers to meet their business challenges in new ways with measurable results.

Protecting the environment is fundamental to our commitment to corporate citizenship. Fuji Xerox Australia provides products that have been designed with both our customers and the environment in mind. We are known for our end-of-life product resource recovery and remanufacturing programs. Our products regularly lead the industry in energy performance and all our sites maintain ISO 14001:2004 Environmental Management System Certification. Fuji Xerox Australia has been recognised for its achievements in environmental sustainability by the United Nations and the Banksia Environmental Foundation in Australia.
